University of Cape Town**

The Western Cape Branch of LIASA is again calling for nominations for the 2006 Branch Award - an award that recognises an individual librarian or library team from any library (public, school, academic or special library) who has demonstrated exceptional creativity and resourcefulness in marketing, promoting and advocating for a single library or libraries in the Western Cape.

There are innovative and imaginative programmes, projects and events taking place across the Western Cape in all our libraries. This award is aimed at recognising and honouring the librarians for their creativity in promoting, marketing and advocating their libraries through these activities.

Regardless of the size or type of your library, if your library presented a special

programme, project or event during the past year that made a difference or raised the profile of your library - we want to hear about it!

The judging panel will comprise the chair of the Western Cape Branch of LIASA; the Public Relations Officer (PRO) of the Western Cape Branch of LIASA; the convenor or a representative from each of the following Western Cape interest groups: the Public and Community Libraries Interest Group (PACLIG); LIASA Special Libraries Interest Group (LiSLIG), Western Cape Higher Education Libraries Interest Group (WCHELIG) and School Libraries and Youth Services Interest Group (SLYSIG); Rheina Epstein, donor; and an independent marketing specialist.

For nomination forms and/or more information, go to <http://www.liasa.org.za/branches/wcape.php> or <http://www.westerncapeliasa.blogspot.com> or contact the Branch Chair, Naomi Haasbroek at (021) 843 1259 or <Naomi@tlabs.ac.za> or Branch Public Relations Officer, Ingrid Thomson at (021) 650 3703 or <Ingrid@uctlib.uct.ac.za>

Nominations and supporting material must be received by 18 September 2006 and remember, only programmes or projects carried out from January to December 2005 will be considered.
