Promotion of museum and heritage resource management services.

Promotion of sport and cultural tourism with a focus on supporting major events in the Western Cape.

Demands and changes in services

The rationalisation of the departmental budget during 2013/14 has resulted in the Department of Cultural Affairs and Sport having to review some of the province-specific performance targets. The review has been based on the 80/20 principle and focuses on the provision of economic, effective and efficient service delivery targets in support of the indicative negative growth in the allocation of financial resources. It is, however, important to note that no services will be stopped.

During 2013/14 the department will focus on service delivery to the people of the Western Cape guided by the provincial and departmental Strategic Plan. In particular, it will emphasise the following:

- Support social inclusion.

- Continue to utilise community structures, i.e. cultural forums, to grow understanding and respect for our cultural diversity in order to realise the provincial vision of an open opportunity society for all.

- Finalise the Western Cape Provincial Museum Bill aligned with our constitutional mandate of provinces.

- Understanding the role of archives and libraries in promoting social inclusion as well as building respect for each other's histories and talent.

- Identify, prepare and nurture talented learners to participate at the highest level.

- Expanding further roll out of the sport mass participation programme.

- Roles and mandates of the public entities and statutory bodies and their relationship with the department.

- Continue to support the maintenance of an effective Western Cape heritage resource management system with Heritage Western Cape and the realisation that heritage resource management is key to economic growth in the Western Cape.

- Establishment of the Western Cape Sport Council allowing civil society to speak with one voice.

Budget decisions

The departmental management and the Provincial Minister of Cultural Affairs, Sport and Recreation engaged in strategic planning in order to deliver on our strategic imperatives:

Assist the most vulnerable municipalities for library services (B3 categories exclusively) in order to supplement municipal investment into library services and to sustain the future professional delivery and development of such services in these municipalities.

Strengthening and further support of the role out of the Mass Opportunity and Development Centres in the Province.

The Supply chain Management Unit resource capacity will be strengthened.

Implementing programmes and projects related to Provincial Strategic Objective 8: Promoting Social Inclusion and Reducing Poverty.

Sustaining funding requirements to smaller Arts and Cultural Organisations.

Implementation of the Department's micro structure, will include the split of the Library and Archive Services into two directorates with provision of funding for the Director: Archive Services position from 1 April 2013, and capacitating the Enterprise Content Management system and record management.

As has been done in prior years, the department developed a list of policy options as part of the MTEC processes, with significant funding implications. Apart from substantive adjustments to the conditional grants, the department also received funding to strengthen the MOD Centres Programme, EPWP and for further capacitating the Department.

Aligning departmental budgets to achieve government's prescribed outcomes

The mandate of the Western Cape Government in the fields of sport and culture is very broad as we cover work areas ranging from Sport and Recreation to Arts, Language, Culture, Libraries, Museums, Heritage and Archives.

The work of the Department of Cultural Affairs and Sport is directed at giving effect to our vision of a socially inclusive, creative and active Western Cape. Our plans are aimed at increasing participation and excellence in sport, recreation, the arts and culture. The Department is also committed to ensuring greater access to our libraries, museums, language and heritage services.

The challenge for the department is to find core strategic thrusts which unify our business across the breadth of the work of the department i.e. from libraries and archives, all the way through to the arts, culture, language, museums, heritage, sport and recreation.

An analysis of the core business has revealed that every division engages in the following strategic thrusts:

Talent Identification

Striving towards excellence

Popularisation or mass participation and access

Skills development

Networks and partnerships and the development of appropriate policy and systems

These core thrusts form the basis of all the work of the Department of Cultural Affairs and Sport.

Whilst the business of DCAS is directly aligned to increasing social inclusion in the areas of sport and culture, it is also aligned to the following strategic objectives of the WCG:

Creating opportunities for jobs and growth (events and programmes);

Improving education outcomes (school sport, MOD and SHARP centres, libraries, archives and museums);

Increasing opportunities for growth and development in rural areas (geographical spread of all programmes);

Increasing wellness (sport, recreation, arts and culture projects); and

Increasing safety (diversion projects).

The department aims to create programmes that develop the skills of not only those who participate in sporting and cultural activities but also empower those involved in the administration, leadership and management of our institutions and organisations. Systems to identify, nurture and develop talent will also be strengthened.

For information on the National Outcomes the Department reports to please see the Payment Summary section.

2. Review 2012/13

The department continues to receive conditional grant funding to support community libraries and enable communities to gain access to knowledge and information that could improve their socio-economic situation and the further roll out of the Sports Mass Participation Programmes as well as supplementing municipal investment and to sustain the future professional delivery and development of library services in Vulnerable B3 Municipalities through municipal replacement funding(funded from the provincial equitable share funding source).

During the 2012/13 financial year, the Department implemented a Policy on Programme Performance Information as well as the M&E framework that strengthened the setting of targets, reporting, verification of evidence, monitoring and the evaluation of programme performance information. Three large scale evaluations were conducted for the period under review.

In preparation for the implementation of the National Treasury guideline on accounting, library books were reclassified as assets. A full stocktake was conducted to verify the validity and completeness of the Library Books Asset Register. A policy document for the handling of books as assets has been developed as well as new workflow procedures for the central and regional organisations of the Library Service.

Through its Stakeholder Management unit, the department co-ordinated service delivery improvement initiatives aligned to the PSO 12 "Building the best run regional government in the world". These initiatives took the form of the Service Delivery Improvement Programme (Service Model), Service Delivery Improvement Plans Assessments, Public Service Week and Africa Public Service Day Advocacy Project, Value Conversations, DPSA Redress Calendar, Face of the Province (phase 1), Citizen's Report and Women's Month Activities.

The service delivery outcomes that were achieved by the department during the 2012/13 financial year are summarised as follows:

The department assisted the national Department of Arts and Culture in the roll-out of community conversations in the Western Cape prior to the national Social Cohesion Summit that was held in Kliptown, Johannesburg in July 2012.

The department expanded its footprint during the annual Arts and Culture Week in the West Coas during which rural communities and arts practitioners were enabled to interact and acquire skills in various art forms. Successful partnerships were concluded with both professional arts organisations and the private sector to promote arts and culture activities and events during the year. A range of training programmes were also presented to a broad spectrum of arts practitioners and participants.

The national Mzansi's Golden Economy Strategy: The contribution of the Arts, Culture and Heritage Sector to the New Growth Path, was launched in April 2011 by the national Department of Arts and Culture. The purpose of the strategy is to reposition the arts, culture and heritage sector to take its rightful place to build a socially inclusive society and to contribute to economic growth and job creation. In this regard, the initiatives of both national and provincial government are advanced to develop a proposal for a cultural precinct including the ArtsCape Theatre Complex and the adjoining Founders' Garden that could enliven the Foreshore of Cape Town together with other private sector developments that are planned in the vicinity.

The Department rendered financial assistance and support to 90 institutions and organisations: 57 arts and culture organisations, 29 affiliated museums, the three public entities and the Western Cape Provincial Geographical Names Committee.

Public comments on the Draft Western Cape Provincial Museum Policy, published in February 2012, provided valuable input from a variety of stakeholders. The comments informed the drafting of the new Western Cape Provincial Museum Bill, aligned with the constitutional mandates of provinces.

The transformation of the permanent exhibitions at affiliated museums is progressing. The success of this long-term strategy is supported by the already increased number of visitors to affiliated museums despite the economic down-turn over the past couple of years.

The Museum Service continues to develop and present educational programmes to learners at affiliated museums that are designed within the context of and complementing the formal school curriculum. Presenting these programmes at affiliated museums and related historical sites provides an unique experience that could not be duplicated in the classroom. In many cases, learners are saving for months ahead of the appointment to afford the public transport for these educational visits to the affiliated museums.

The Heritage Resources Management Sub-directorate continues to deliver the necessary professional, technical and administrative support to the Council and committees of Heritage Western Cape, the provincial heritage resources authority.

The review, verification and proposed standardisation of geographical names in the Western Cape continued. Once the research has been completed, the geographical names are submitted to the South African Geographical Names Council for endorsement and then to the national Minister of Arts and Culture for approval in order for the Chief Directorate Geo-spatial Services of the Department of Rural Development and Land Reform can update official maps and other geo-spatial information.

The Language Services continued with its role to assist the Western Cape Language Committee in the oversight role of monitoring the implementation of the Western Cape Language Policy to ensure the equal status of the three official languages in the Western Cape. A new Committee was appointed in August 2012 for a three year term. The Provincial Language Forum, consisting of all language practitioners employed in the Western Cape Government departments, continues to meet regularly.

The project to empower parents, family members and teachers of deaf learners to communicate in Sign Language also continued during 2012/13 in Khayelitsha. A Nama calendar was also produced.

Extension of rural library services, in the form of wheelie wagons were established in the following communities: Goldnerville in Laingsburg Municipality, Volmoed Primer in Oudtshoorn Municipality, Buffelsnek in Kynsna Municipality, and Brakfontein in Hessequa Municipality.

The library service assisted with the implementation of 70 public libraries to SLIMS (SITA Library Information Management System powered by Brocade).

Approximately 280 000 library material items were provided to 348 library points (public libraries, dual school libraries, mini libraries and wheelie wagons).

The library service provided R43.403 million as replacement funding to 15 B3 municipalities for the rendering of public library services. The aim of the funding is to supplement municipal investment into library services and to sustain the future professional delivery and development of these services. This funding has been mostly used for staffing costs of public libraries.

Financial assistance to the amount of R6 million was given to Mossel Bay Municipality for the building of a new library for the KwaNonqaba community. An amount of R2 million was given to Langeberg Municipality as a start-up amount for the building of the new Nkqubela library. This was part of conditional grant funding.

Information and Communication Technology (ICT) was introduced in 20 communities through the Rural Library Connectivity Project. This project was funded from conditional grant. Adding to the previous year's projects 101 libraries have been connected to internet for public access.

The training of record management staff which aims at capacitating staff at governmental bodies for better management and care of public records continued during the year under review.

The Department, in collaboration with the national Department of Arts and Culture and the Dutch Government, is taking part in a world-wide project to preserve the shared heritage documentation associated with the Dutch East India Company. The archives of the Dutch East India Company, preserved in a number of countries, have been inscribed on the Memory of the World Register. Some of these records are important sources for genealogical research and for a better understanding of the early history of the Cape.

The Department signed a Memorandum of Agreement with the Genealogical Society of Utah for the digitisation of Archival records. The digitisation process started in August 2010 and since then 471 302 images from 2 313 volumes of the Slave Office, the Regional Office of the Department of Home Affairs, "Opgaafrollen" and the Regional Office of the Master of the Supreme Court have been digitised:

The archive service benefited from the EPWP which started in the department in 2011/12. EPWP beneficiaries helped with the digitisation of photographs of Hopkins Coburn, Green, Morrison and Elliot collections. From October 2011 to July 2012: 11 052 photographs were scanned and 12 142 images were produced.

The Mass participation; Opportunity and access; Development and growth (MOD) Programme was rolled out to 182 MOD Centres as part of the Mass Participation Programme.

School Sport code leagues are being played on a regular basis and through these league and trial matches, talented school-going athletes are identified to participate at a higher level, e.g. at regional and provincial level matches and tournaments.

Through further talent identification processes, talented, school-going athletes with potential are identified for enrolment at the Western Cape Sport School. The athletes at the Western Cape Sport School are consistent in their realisation of outstanding and even world class performances, in many instances.

Recreation hosted Freedom Day celebrations in the form of a production at the ArtsCape and a festival in Lavender Hill. These Freedom Day celebrations were the culmination of activities that focused on human movement, dancing and modified sport.

Through the Recreation programme, highly successful provincial ball games that focused on modified sport activities, was hosted for the various regional teams of the province. The success of the ball games can largely be attributed to the capacity of many of the coordinators. Their said capacity was developed through the various capacity building courses to which they were exposed.

The Western Cape was the preferred destination for major events. Support was given to more than 35 events which showcased the province and its natural beauty and promoted sport tourism.

Talent identification programmes culminated in the SA games where 540 athletes participated on behalf of the province.

The department improved its processes of support to federations thereby ensuring support for federations and their programmes. Payments to federations were expedited which enabled federations to conduct their operations more efficiently.

The revival of the Western Cape Disability sector and the formation of the Provincial Women's committee promoted disability and women's sport.

3. Outlook for 2013/14

Continually promoting the Province as a preferred venue for major sport and cultural events and a tourist destination;

Combating anti-social behaviour by ensuring healthy lifestyles.

Focused use of libraries, museums and archives to promote and enhance social inclusion and build our human capital through the programmes that they present and creating an environment of learning, pride in one's heritage and appreciation in the rich diversity of the Western Cape.

Monitoring and evaluation of programmes and projects.

The department intends implementing the newly approved micro structure that will allow us to improve our service delivery through all areas of the Department.

An evidence framework will be implemented that will define the type of evidence required for the diverse performance indicators reported on in the Annual Performance Plan. This will contribute to the Department's readiness for when the Auditor-General commences with the reporting of Programme Performance Information in their Audit Report.

The Stakeholder Management Unit aims to strengthen DCAS's alignment to PSO 12 "Building the best run regional government in the world" through the implementation of the Citizen-centric philosophy of continuous improvement of citizen's experience of government and its role in the Provincial Transversal Programmes.

During the new financial year the Department will intensify its partnerships with established arts organisations and practitioners to facilitate opportunities for youth to undertake job shadowing in order to strengthen the capacity of arts and culture structures, especially in rural areas, and to identify, develop and showcase local talent through festivals and programmes.

The impact of the Western Cape Provincial Museum Bill will have a profound impact on the Museum Service and the 29 museums currently affiliated to the Museum Service during the 2013/14 financial year and beyond. It is proposed that a phased approach towards the implementation of the Bill will have to be considered as resources will not be available to implement the new legislation with effect. It will also allow for considered decisions regarding the migration of the current proclaimed provincial, province-aided and local museums to the new categories of museum affiliation provided for in the Museum Bill.

A number of affiliated museums will be the focus of a multi-year programme to upgrade and transform their exhibitions to reflect a more inclusive history of the town and its environs. These museums include the Bartolomeu Dias Museum in Mossel Bay, Beaufort West Museum, Worcester Museum, Paarl Museum, Hout Bay Museum, George Museum and Stellenbosch Museum. Various stakeholders will be consulted on the progress of new museums exhibitions business plans.

The professional, technical and administrative support rendered by the Department to the Council of Heritage Western Cape and its committees as well as to the Western Provincial Cape Geographical Names Committee will continue to ensure that the heritage of the Western Cape is conserved, developed and promoted for future generations. Research on the review, verification and standardisation of existing geographical names will also continue. Consultations with local authorities, will be concluded to ensure that the processes for consultation regarding this sensitive matter are clearly articulated and followed following the High Court of Appeals judgement on the matter of adequate consultation that is required in this respect.

The implementation of the approved Provincial Language Policy by all provincial government departments will continue to receive attention. The department will also continue to render a professional language service in the three official languages of the Western Cape and to develop previously marginalised indigenous languages and Sign Language.

Library and archives remain an important area of work to ensure that we increase social inclusion, improve literacy levels especially with our youth, provide access to archival heritage and advocate for proper management and care of public records of provincial significance. In this regard the department will:

- Procure and provide library material to public libraries to promote a culture of reading.

- Promote library usage through promotional programmes.

- Extend the rural library service programme to three under-serviced areas as part of conditional grant funding.

Provide free access to Information and Communications Technology (ICT) at an additional 20 rural public library sites.

Provide training to public libraries.

Provide funding for the building of one new library facility.

Transfer funding to municipalities for the provision of adequate staff from conditional grant funding.

Assist rural public libraries with implementation of SLIMS (SITA Library Information Management System powered by Brocade).

Continue provision of financial assistance for library services in vulnerable B3 category municipalities.

Provide funding for book detection systems at public libraries.

Inspect records management practices in government bodies.

Provide training to records management staff to ensure a clean, value-driven, efficient, effective, accountable and responsive government.

Continue with digitisation of the holdings, as well as the back scanning of operational terminated files and disposal authorities.

Sustain co-operational partnerships with the Genealogical Society of Utah, USA, and the Mutual Cultural History Programme with the National Archives of the Netherlands.

Update institutional policies, practices, and procedures.

Revisit the outreach programmes and develop a communication plan.

Roll out educational programmes to communities.

Implement a professional development programme to train students in the archival and records management functions during a university holiday with the purpose to improve their skills and to provide them with practical work experience.

Continue with efforts to address skills shortages by identifying training programmes to create skilled and capable staff, especially in the electronic and digital environment.

Participate in the Service Delivery Improvement Plan will continue by registering all researchers in order to issue researchers' tickets and capture their details in an electronic database that will serve as an effective tool to communicate with the researchers.

Continue to participate in and contribute to the National Automated Archival Information Retrieval System (NAAIRS), National Registers of Manuscripts and Photographs (NAREM and NAREF) and the National Register of Oral Sources (NAROS) databases.

In the areas of Sport and Recreation; the MOD Programme will be consolidated and a greater focus will be placed on School Sport Codes and the accessibility thereof. In addition talent identification strategies and processes will be refined and we will continue to support the Western Cape Sport School, as it successfully invests in the future of school-going athletes.

Support to federations will be further improved so as to ensure that programmes are adequately supported. This will include the promotion of sport events in towns across the province.

Policy developments

The Department embarked on the revision of the outdated Museum Ordinances. The tabling of the new Bill in the Provincial Parliament, pending the consultation processes, is planned for the 2013/14 financial year. The new provincial museum legislation might affect a number of existing affiliated museums and would require extensive consultation with individual stakeholders and role-players, not only with the current affiliated museums.

The Council of Heritage Western Cape has approved draft regulations pertaining to the rules of order and conduct at meetings of Heritage Western Cape and intends to draft regulations clarifying aspects of Section 38 of the National Heritage Resources Act in the course of the coming year.

Changes: policy, structure, service establishment, etc. geographic distribution of services

Intensify internship programme through facilitating opportunities for youth to work with and shadow established arts practitioners, to strengthen the capacity of district cultural forums and to collaborate with district municipalities to identify, develop and showcase local talent through festivals and other programmes.

A number of affiliated museums will be the focus of a multi-year programme to upgrade and transform their exhibitions to reflect a more inclusive history of the town and its environs. These museums include the Bartolomeu Dias Museum in Mossel Bay, Beaufort West Museum, Worcester Museum, Paarl Museum, Hout Bay Museum, George Museum and the Wheat Industry Museum in Moorreesburg. Various stakeholders will be consulted on the progress of new museums exhibitions business plans.

Expenditure trends analysis

The growth in the provision for Compensation of Employees is attributed to the Improvement of Conditions of Service. Goods and Services remain static as a result of a once-off R4 million provided for the EPWP in 2011/12 (national conditional grant). The EPWP is sustained in 2012/13 through provision of another R4 million (National conditional grant: R1 million and Provincial Equitable Share: R3 million). Transfer payments to Non-profit Organisations have been increased due to R8.5 million in 2011/12, and carried through into the MTEF (2012/13 and beyond), for the purpose to support Arts and Culture Organisations (Baxter, City Ballet, Philharmonic orchestra, CT opera, Jazzart, WC Choral Association and Dance for All).

Expenditure trends analysis

Since the inception of the conditional grant funding in 2007/08, the province has received R187.579 million for the enhancement of library services. This funding has been used for additional staff at public libraries, internet connectivity, wheelie wagons, upgrading and maintenance of libraries and literacy projects. The expenditure has been very well managed with an annual utilisation of almost 100 per cent of the funding. For 2012/13 the allocation for the province is R56.129 million and this represents a 15.3 per cent increase from the 2011/12 allocation of R48.694 million. The grant is augmented by 88.4 per cent in 2014/15 going up to an allocation of R126.3472 million.

The increase in the 2011/12 Adjusted Appropriation from the 2011/12 Main estimate is due to R31.770 million new additional allocation for Vulnerable B3 Municipalities to supplement municipal investment and to sustain the future professional delivery and development of public library services in these Municipalities. The allocation for this purpose for 2012/13 is R45 million, 2013/14: R50 million and 2014/15: R53 million (funded from the provincial equitable share).

The increase in the Sub-programme: Management in 2013/14 is due to the provision of R615 000 for the filling of the Director: Archive Services from 1 July 2013.

Expenditure trends analysis

This conditional grant is augmented each year. Provision is made for the establishment for the Office of the Chief Director: Sport and Recreation with effect from 2008/09 and the Office of the Director: Sport Promotion from 2009/10 through internal funds prioritisation. The budget allocation for the 2010 FIFA World Cup™ sub-programme falls away in 2011/12 due to the conclusion of the 2010 FIFA World Cup™ event.

In the 2012/13 financial year, decrease in Compensation of Employees is attributed to the closure of the 2010/11 World Cup Unit (salaries of 6 contract staff members). Goods and Services has increased as a result of additional funding for the conditional grant as well as a new priority allocation of R3 million to strengthen and further support the role out of the Mass Opportunity and Development (MOD) Centres in the Province.
